EDCI 337 - Student Budgeting & Reflection Worksheet

- 1. Please follow the link below and create a pie chart that includes your monthly spending. Categorize your spending into groups, such as groceries, gasoline/automobile, rent, utilities, phone bills, entertainment, shopping, etc (make it personal to your expenses). Save/screenshot the pie chart, then upload the results as an image here.**

2. Please write a short reflection on the following questions (1-3 sentences each)

a) As a student, what challenges do you have when it comes to saving money?

b) What is your biggest monthly expense other than rent?

c) What is something you splurge on and could cut back on?

d) Are there any expenses that you feel are worth it to spend extra on?

e) How do you plan to improve your spending?

f) What is something you do well regarding your expenses?
